

Colonial Ridge Member Referral Program 2017

Colonial Golf and Tennis Club members are our most valuable asset and as an incentive we have developed a member referral program to reward individuals who bring new members into the club. Current members are eligible to receive the following benefits for **actively*** recruiting new members to the club.

For Every New Golf Membership:

The current member will receive one (1) of the following:

- a. Free carts for 3 months
- b. \$300 Colonial Cash

For Every New Recreational Membership:

The current member will receive:

- a. \$100 Colonial Cash

***Actively recruiting** is being involved in the selling process (ie. bringing the member to the course and introducing them to the Membership Coordinator or the General Manager.) An **active** participant aids in the planning sales process until the individual or family joins. Simply providing a name does NOT include you in the referral program.*
