## Rick's Junior Golf Program

The Junior Golf Program is under the direction of our Head Golf Professional, Rick Gibney and Teaching Professional Todd Mowry. The program is geared to provide each child with the history, traditions, rules, etiquette and values that surrounds the game of golf. We will encourage the broadening of friendships, social skills, and competitive experience in which winning assumes a sensible perspective. Teaching sound fundamentals and getting your child onto the golf course to learn how to play the game will be our primary focus. The professional staff will assist in the appropriate placement with relation to age and ability.

Sign up for all 3 sessions to receive a 10% discount.
