Junior Golf Program Application

Rick & Todd's Junior Golf Program

The Junior Golf Program is under the direction of our Head Golf Professional Rick Gibney and Teaching Professional Todd Mowry. The program is geared to provide each child with the history, traditions, rules, etiquette, and values that surround the game of golf. We will encourage the broadening of friendships, social skills, and competitive experience in which winning assumes a sensible perspective. Our primary focus is on teaching children sound fundamentals and getting them onto the golf course to learn how to play. The professional staff will assist with appropriate class placement in relation to age and ability.
