Junior Golf Program Application

Rick's Junior Golf Programs

Directed by Head Golf Professional Rick Gibney, our Junior Golf Program provides each child with the history, traditions, rules, etiquette, and values that surround the game of golf. We encourage the broadening of friendships, social skills, and a competitive experience in which winning assumes a sensible perspective. Our primary focus is on teaching children sound fundamentals and getting them onto the course to learn how to play. Sign up at the Pro Shop: the professional staff will assist with appropriate class placement in relation to age and ability.
